

abi TheatreMax

FIXED WALL HOME THEATRE SCREENS

abi TheatreMax has some big advantages for home cinema:

Easy Installation

Each abi TheatreMax fixed screen is supplied in kit form, with concealed keyhole type hanging brackets – so it can be easily installed by almost anyone.

Flatness

Tensioned during the simple assembly process, the screen projection surface stays perfectly flat – giving you an excellent image.

Surface Options

TheatreMax screens are available in a special High Contrast Grey surface (improving contrast and color) or standard Matt White.

Black Velvet Frame

TheatreMax is framed in black velvet for a great looking home cinema screen – even when it's not in use.
