

# abi Mobile Plasma/LCD Stand

## PLBVERST

### Simple, effective and strong.

The **abi** PLBVERST Mobile Plasma/LCD Stand is the affordable but stylish mobile panel stand suitable for situations where your LCD must be moved from room-to-room or location-to-location.

Constructed from scratch-resistant black powdercoated steel base and adjustable brackets, chrome steel post uprights, and featuring a hardened safety glass shelf (for DVD or PC), this mobile mount is simple to use and attractive.

The **abi** PLBVERST can be positioned close to the wall for economy of space, and has been simplified to six (6) panel and five (5) shelf height settings for presentations where the audience is either standing or sitting, and to suit a range of age audiences

A universal mounting rail is included which suits 37" to 63" plasma or LCD TV displays of most brands.

Also included is the adjustable centre shelf (for DVD or Notebook), and 4 heavy duty rubber castors (2 locking). One of the chrome pole uprights is also designed for cable management.
